a human form...

We were all surprised at
first, when they changed back
to their original forms as
we kept attacking them.

the kingdom.

If I want to shake the
foundation of the kingdom
I'll need many things.

If Prince Jashin
was here, I could have

state, it is impossible for
him to authorize this

bow!

But we must
move on soon

One night full
many Message Boards will
be out for revenge.

Chapter 10

You cannot
